

Medical Disclaimer Summary

Effective Date: May 13, 2026

1. Not Medical Advice

The information provided by the Service is for **informational and educational purposes only**. Individuals with severe allergies, pregnancy-related dietary concerns, or medical dietary restrictions should independently verify all information before consuming any product.

Wisebite Ltd. is not a medical provider and does not provide:

- Medical advice, diagnosis, or treatment.
- Nutritional therapy or pharmaceutical guidance.
- Allergy certification.

Always consult a **qualified healthcare professional** (physician, pharmacist, or dietitian) regarding medical conditions, pregnancy, breastfeeding, medications, or dietary restrictions.

2. Emergency Warning

DO NOT USE WISEBITE DURING A MEDICAL EMERGENCY. If you are experiencing symptoms of an allergic reaction, anaphylaxis, or poisoning, immediately contact emergency services.

3. Authoritative Source of Truth

Product formulations and ingredients can change without notice.

- **The physical product packaging is the sole authoritative source.**
- Users must independently verify ingredients, allergens, and nutritional values directly on the physical product.

4. AI-Generated Analysis Limitations

Wisebite utilizes AI to analyze food images, labels, and product data. Users are warned that AI outputs may:

- Contain inaccuracies or omit critical information.
- Misinterpret labels or produce misleading results.
- **Not be relied upon solely** for health or safety decisions.

5. Limitation of Liability & No Warranties

The Service is provided on an "**AS IS**" and "**AS AVAILABLE**" basis. To the maximum extent permitted by law, Wisebite Ltd. disclaims all liability for:

- Allergic reactions or health complications.
- Errors in AI-generated analysis or inaccurate ingredient data.
- Any damages arising from reliance on the Service.

Implementation Tips for Wisebite Ltd.

- **Conspicuous Placement:** Ensure this Medical Disclaimer is easily accessible via a dedicated link in the app's "Settings" or "About" menu.
- **Onboarding Affirmation:** Consider a mandatory "I Understand" checkbox during the first-time user experience that explicitly references this Disclaimer.
- **AI Tags:** When the app displays an AI-generated analysis, include a small "i" icon or tooltip that reminds users: *"AI-generated; verify with physical label"*.
